MOUNT HOPE CEMETERY.

Mount Hope Cemetery is situated in the Dorchester District about five and a half miles from the City Hall. It originally contained eighty-four and three-fourths acres, and was set apart for a Cemetery by individuals who were incorporated under powers given by the Revised Statutes, November 10, 1851, and was consecrated by appropriate ceremonies June 24, 1852. Sales of four hundred and twenty-seven lots were made by the Company, and improvements were in progress from year to year. By deed, dated July 31, 1857, it was conveyed to the city for the sum of \$35,000. In 1868 the city purchased an additional lot of twenty acres, on the northerly side, for \$14,000, so that the Cemetery comprises at the present time an area of over one hundred and four acres. The proceeds of sales of lots are paid into the City Treasury, kept separate from other funds of the city; and, under the direction of the Trustees, expended in improvements of the Cemetery.

From the first of May to the first of November the present year, conveyance to the Cemetery can be had by the cars of the Boston and Providence Railroad, which leave Boston at 10.10, 11.30 A.M., and 2.40 P.M., and by the cars of the Old Colony and Newport Railroad, which leave Boston for Mattapan at 1 P.M., and by the Forest Hills horse cars, which leave Boston at 11 A.M., 2 and 3 P.M. Returning, the Cemetery coach will connect with the steam cars of the Providence Road for Boston at 11 A.M., 2.15, 3.53 and 5.19 P.M., and the horse cars from Forest Hills at 11 A.M., 4 and 5.30 P.M. and the steam cars of the Hartford and Erie Road at 1.08 P. M., and the Old Colony Road at 4.40 P.M.

Besides the natural beauty of the grounds, and the art which has improved and embellished them, there are several objects of interest to invite visits from citizens and strangers to the Cemetery. Its location is in one of the most attractive valleys of Eastern Massachusetts, and the landscape view secured by its highest elevation can hardly be surpassed in the vicinity. The floral display at the proper season has been pronounced by competent authority unequalled by that of any Cemetery in the neighborhood of Boston. The Army and Navy Monument, erected to commemorate the heroic dead of Boston in the great struggle for nationality, is regarded as one of the most chaste and successful of the many similar structures that have been erected. The Odd Fellows' Memorial, about to be erected, and a beautiful artificial lake now in process of construction, will soon add their attractions;

while the numerous private monuments, with the many sylvan retreats and shaded avenues, already make this Cemetery one of the most soothing to the finer feelings, of the many "gardens of the dead" with which the vicinity of Boston now abounds.

The office-building recently erected near the main entrance to the Cemetery, contains a waiting-room sufficiently commodious for holding funeral services.

MANAGEMENT OF THE CEMETERY.

By the Ordinances of the City of Boston, the management of Mount Hope Cemetery is vested in a Board of seven Trustees, of which the major part is elected annually, in the month of January. Four of the Board are chosen from the citizens at large, one is a member of the Board of Aldermen, and two members of the Common Council. Each of the Trustees is subject to removal from office by the City Council, for cause. The Board chooses a President from its own number, and a majority constitutes a quorum for business.

The Board has the sole care, superintendence and management of the Cemetery.

The Board is authorized to take and hold any grant, donation, or bequest of property, upon trust, to apply the same, or the income thereof, for the improvement or embellishment of the said Cemetery, or for the erection, repair, preservation or renewal of any monument, fence or other erection, or for the planting or cultivation of trees, shrubs or plants, in and around any lot, or for improving the said premises in any other manner or form consistent with the purposes for which said Cemetery is established, according to the terms of such grant, donation or bequest.

The Board of Trustees urgently invite the attention of the proprietors of lots to the importance of making provision for the permanent care of the same. For the sum of one hundred dollars deposited with the city, a bond will be given for the perpetual care of any lot containing not more than three hundred square feet. Larger lots will require the deposit of an amount sufficient to provide for the quantity of land contained in such lots.

The annual care of lots can also be secured by an order directed to the superintendent, the price being regulated by the size of the lot and the amount of labor required.

Also, of all moneys received or disbursed by him, whether for wages, fees, improvement of lots, sales of any kind, purchases made, or services rendered. On the first day of each month, or oftener, if required by the Trustees, he shall render to the Secretary copies of said accounts, with proper vouchers, and pay over to him all moneys remaining in his hands. He shall also render to the Secretary on the first day of each month a statement showing the number of interments made for the preceding month. The compensation of the Superintendent shall be a salary, to be fixed by the Trustees, and the use of the dwelling-house connected with the Cem-

The Committee on Lots shall have power, subject to the concurrence of the Trustees, to contract with any proprietor for the repair of his lot; and shall see that the contract is duly executed.

COMMITTEE ON INTERMENTS.

ART. 8. The Committee on Interments shall consist of two Trustees. ART. 15. Bodies may be deposited in the receiving tomb, on payment of Ten Dollars to the Superintendent. If, within four months after such deposit, the body shall be interred in another part of the Cemetery by the friends of the deceased, no further charge shall be made for such interment; but if the body shall not be removed from the tomb within the period above specified, the Superintendent may cause the body to be interred in such place as shall be designated by the Committee on Interments. But if the friends desire further delay, the Superintendent, under the direction of the Committee on Interments, may allow the body to remain a longer time (not exceeding four months), on the payment of Five Dollars per month in advance.

are not permitted. Evergreen hedges, of small or moderate size, are allowed.

ART. 17. No grave or tomb shall be opened for an interment or removal by any person, except by order of the Trustees or Superintendent.

FUNERALS.

ART. 18. Early notice of funerals should be given to the Superintendent at the Cemetery, who will make all the arrangements for the interment.

OMNIBUSES, TEAMS, CARTS, ETC.

ART. 19. No teams, or carts (except those used on the grounds), or omnibuses will be allowed to drive into the Cemetery without a special vote of the Trustees.

ALTERATION OF BY-LAWS.

ART. 20. No addition to or alteration in the By-Laws shall be made at the same meeting at which it is proposed, nor unless adopted by a vote of the majority of the Trustees.

RULES AND REGULATIONS TO BE OBSERVED IN THE CEMETERY.

1. The Superintendent will receive visitors at all seasonable hours.

2. No person in the employ of the Superintendent is allowed to receive money for services rendered to visitors.

3. No horse is to be driven within the Cemetery faster than a walk, and no horses can be left in the grounds without a keeper, unless fastened to posts provided for the purpose.

4. All persons with fire-arms, or REFRESHMENTS, are prohibited from entering upon any part of the Cemetery grounds.

5. All persons are prohibited from writing upon, or otherwise defacing, any sign, monument, fence or other structure.

6. All persons are prohibited from gathering flowers, cutting or breaking any tree, plant or shrub.

7. Visitors will not be permitted to walk on the flower-beds, or upon the graded lots or borders.

8. All noisy and disorderly persons will be expelled from the grounds.

9. The Superintendent has the care of the Cemetery, and is authorized to remove all persons who violate these regulations.

10. Trespassers are liable to be fined, as provided by law.

11. Smoking is strictly prohibited in any part of the Cemetery.

12. No monumental works will be permitted to be erected in the Cemetery without a good and sufficient foundation, to be approved by the Superintendent.

N. B. Trees, shrubs and plants will be furnished to visitors by the Superintendent, at moderate charges.

SUGGESTIONS TO LOT-OWNERS AND OTHERS.

The fourth clause of the deed of possession requires that the number of every lot shall be "legibly and permanently marked," at the expense of the proprietors. As those numbers can only be "permanent," that are made of iron, slate, stone or other

imperishable material, proprietors whose lots are marked with *wooden* numbers are requested to substitute such indestructible material without delay, — patterns of which can be seen and ordered at the Cemetery.

Lot-owners, not original purchasers, but who have received their lots by transference from former owners, and whose names have not been substituted for such former owners on the records of the Cemetery, are requested to take their deeds of possession to the Secretary of the Board, in order that such substitutions may be accurately made.

It frequently occurs that messages are sent to the Cemetery requesting graves to be opened adjoining or near the graves of persons previously interred. Where graves are not designated by stones, or otherwise, it will be impossible, in process of time, to comply with the directions thus given, unless some system designating every grave be adopted. It is recommended, therefore, that every lot-owner make a drawing of his lot on a blank page of his deed, and record on it every interment with name and date. Upon the occurrence of future interments, let a transcript of this map, with the place marked where the grave is desired to be opened, be duly sent to the Cemetery. In this way every difficulty will be obviated and an interesting family record will be made and preserved for future generations.
